ATTENTION! ALL NON-ESSENTIAL PERSONNEL SHOULD LEAVE THE LOST GROUND IMMEDIATELY!

In an attempt to capture Mimori, Kigetsuki and the Tokonatsu sisters attack the Inner village but they are thwarted by Kazuma who arrives in the nick of time. Kazuma and Kanami's reunion is short-lived as she is kidnapped by Biff. While Cougar tries to calm down Kazuma and Ryuho to plan their next course of action, Mujo attacks them with the surveillance/attack satellite, HOLY Eye. To set the stage for the final showdown, Mujo orders the evacuation of the Lost Ground and creates an Alter fortress in the heart of the city with powers enhanced by Kanami's Alter. When Ryuho goes to rescue Kanami, he will face his former mentor, Martin Zigmarl and learn the truth about the mysterious Alter responsible for his mother's death.
